Prince William is second in line to the throne, after his father, Prince Charles.

When he was 13 years old, he went to a famous private secondary school called Eton, and finally to university in Scotland.

During the difficult time after his mother died in a car accident in Paris in 1997, he was admired for his courage.

As a good sportsman, Prince William likes football, rugby, polo and swimming. In 2011 he married Kate Middleton. They have three children.
