

Spot the verbs in the sentences and classify them :

- Do you enjoy going to the swimming-pool ? Well, I sometimes swim but I don't really like that.
- What were you doing when I tried to phone you ?
- We aren't waiting for them anymore... their train is 2 hours late.
- Are you talking to me ? Oh, I thought you were on the phone with your daughter.
- I wasn't reading my favourite book when they arrived.
- Did you hear the concert last night ? I didn't **sleep well**.
- My sister practices piano twice a week. Do you know her ?
- Hello. I am Peter. At the moment I am living in Paris. I am really enjoying it. I wasn't born in Paris though, I was born in a town outside London. I had my degree in computer science while I was living there.
